plywood birch	natural walnut	**Fr. 11'400.-- / pair**

The Voice

A high-end full range-speaker in a very modern design. This speaker speaker system is a real soulmover with an extented deep bassrange and a unbelieveable realistic voice reproduction, like no other speaker on the market can do.

Dimensions	*26,5 x 119,0 cm x 36,0 cm*
Frequency response	*35 - 30'000 Hz, +/- 2 dB*
Efficency	*91,5 dB/W/m*
Weight	*56 kg/side*

CABINET	FINISH	PRICE
plywood birch	white chalk or matt antrazite	**Fr. 15'750.-- / pair**
plywood birch	natural walnut	**Fr. 16'650.-- / pair**

The **pure Emotion** series

The fourth dimension

This speaker-system is not only the answer to all your questions, it's really a new dimension! An absolutly unique quality of drivers (like you never have seen in any other speaker before) with a midrange with a huge neodymium magnet system, four ventilated 10 inch bassdrivers and a decoupled tweeter in a high-end no-limit-audio waveguide will let every musiclover speachless. This speaker opens a new world with a soundstage with live-dynamic.

Dimensions	*30,0 x 126,0 cm x 40,0 cm*
Frequency response	*28 - 32'000 Hz, +/- 2 dB*
Efficency	*93,5 dB/W/m*
Weight	92 kg/side
